ABOUT

It is a great pleasure and honor to invite you to **2022 5th Asia Conference on Energy and Electrical Engineering (ACEEE 2022)**. ACEEE 2022 will be held in **Kuala Lumpur, Malaysia** from **July 8 to 11, 2022**, which is supported by **Universiti Teknologi MARA (UiTM), Malaysia**.

With the topic of "Energy and Electrical Engineering", the conference ACEEE 2022 will be an ideal platform for scholars to discuss and explore the newest research results in the common research field of Energy Science and Electrical Engineering. It features invited keynote speech, peer-reviewed paper presentations, and academic visit. The conference is completely open (one needs to register first...), you will not have to be an author or a discussant to attend. We would like to invite you to join us in this important event and share your recent advance development and research finding in Energy and Electrical Engineering to all attendees. We're looking forward to seeing you in ACEEE 2022.

PUBLICATION

All accepted and registered papers will be included in the Conference Proceedings, which will be submitted to **Ei Compendex, Scopus**, and other databases for review and indexing.

ACEEE 2018-2020 proceedings have been indexed by **Ei compendex** and **Scopus** already!
ACEEE 2021 proceedings has been submitted for **IEEE Xplore Digital Library**.

SUBMISSION

1. Full Paper (Presentation and Publication)

2. Abstract (Presentation ONLY)

Methods: Please log in the EasyChair Submission System (<http://confsys.icnf.org/submission/aceee2022>) or email us at aceee@vip.163.com to submit full paper /abstract.

IMPORTANT DATE

Submission
February 25,
2022

Acceptance
March 15,
2022

Registration
March 30,
2022

TOPICS

Energy Conservation
Converters and Inverters
Optimization Techniques
Power Distribution
Retail Power Markets
Network Harmonics
Global Restructuring
Demand Management
Electricity Power Pools
