## ABOUT

It is a great pleasure and honor to invite you to 4th Asia Conference on Energy and Electrical Engineering (ACEEE 2021) to be held in Bangkok, Thailand during March 12-14, 2021, which will be hosted in King Mongkut's Institute of Technology, Thailand, and to be co-sponsored by Singapore Institute of Electronics (SIE) and Shandong University, China, etc.

The first three ACEEE was held in Shanghai Jiaotong University, China (2018), Hiroshima, Japan (2019) and Kuala Lumpur, Malaysia (2020). ACEEE 2021 will offer an extensive program of interest to academia, government and industry. It will include several distinguished keynote speakers and three conference days full of papers, posters, etc. A series of exciting speeches to develop skills and advance awareness of requirements engineering practices are of particular interest to industry.

## PUBLICATION

All submissions will be blind reviewed by the Program Committee on the basis of technical quality, relevance to conference topics of interest, originality, significance, and clarity. All accepted and presented papers will be published in Conference Proceedings.

ACEEE 2018-2019 proceedings have been indexed by **Ei compendex** and **Scopus** already!

ACEEE 2020 conference proceedings have been published into **IOP Conference Series: Earth and Environmental Science (EES)**.

## SUBMISSION

1. Full Paper (Presentation and Publication)

2. Abstract (Presentation ONLY)

Methods: Please log in the EasyChair Submission System (<http://confsys.iconf.org/submission/aceee2021>) or email us at [aceee@iact.net](mailto:aceee@iact.net) to submit full paper /abstract.

## IMPORTANT DATE

Submission  
Nov. 5, 2020

Acceptance  
Dec. 5, 2020

Registration  
Dec. 15, 2020

## TOPICS

Energy Conservation  
Converters and Inverters  
Optimization Techniques  
Power Distribution  
Retail Power Markets  
Network Harmonics  
Global Restructuring  
Demand Management  
Electricity Power Pools
